- #1 – Abilene, TX in March / #2 – Ft Worth, TX in May / Futurity Series Finale Duncan, OK in June
- Once you have committed to a spot you are obligated for the entire payment regardless of injury or if the bull has deceased. Once the bulls have been named there will be no changes or substitutes. If a bull is injured and cannot compete at any of the designated stops, you are still required to pay the \$300 side pot fee to keep the pot whole. You will also not be eligible for the non-winner pot at the finale if the bull is able to then compete regardless of your placing at any of the events and the bull will have to compete in the winner pot during the finale.
